Home Learning Student Sign In Codes

Ms. Carbone - Group A

Each student has a unique Home Learning Code to access Seesaw. When signing in with their Home Learning Code, students can post to their journal, respond to activities, and view class announcements. Students do not see the work of any other student in the class.

The codes expire after 365 days on **September 8, 2021**. You can generate new codes at any time.

Teacher Instructions

1. Print or download the Home Learning Codes.

2. Give each student their code. There is one code for each student in your class.

3. Never share codes on social media or another public forum. Instruct students to keep their code safe like they keep their passwords safe.
